

## Exercise Two (ACCESS)

### The log line premise

Fill in the following and then ask yourself the following question...“Based on this one sentence, is this a story I would be interested in reading?” Is there any way you can make this MORE interesting?

**Log line template:**

A (descriptor) (protagonist) must (do something) that will (set up) a (climatic encounter) with a (descriptor) (antagonist)

Using the template above, write your log line premise below:
