

Exercise: Module 5 – Prepare for Your Podcast Interview

Lesson 1: Prepare Your Tech

1. Research and purchase a quality mic and headphones or earbuds, and also a camera if you can. Get them set up and tested.

	✓
Mic	
Headphones / earpiece	
Camera	

2. Check the speed of your internet connection and upgrade if necessary.

Internet Speed	
Upgrade:	Yes/ No

3. Complete the separate **Tech Checklist**.
