

## Exercise: Module 6 Lesson 2: Follow Up with Your Podcast Host

1. Draft your emails. You'll need to customise them appropriately:
  - a. A thank-you email to send immediately after the interview

b. A follow-up email to send once the show has aired

2. Research reminder tools to find the best one for you. Set it up and schedule follow-up emails with your hosts at 2-month intervals.
